

MULTI-USE DROP KIT PT2

Overall Parameters

Product Name

PT2 Drone Rope-Drop

Supported Aircraft

Matrice300 RTK Series

Dimension

88.8 x 58 x 75 mm

Interface

DJI SkyPort V2

Rated power

24W

Weight

250g

IP Rating

IP4X

Payload

Section Num

2

Rope length

10m

Single load

Maximum 5kg, The actual load Subject to drone load

Total load

Maximum 10kg, The actual load Subject to drone load

Drop Function

Single-drop & Full-drop

Rope Function

One key lifting & One key release

Installation mode

Quick disassembly
