COMPATIBILITY

DJI Mavic 3 Enterprise Series aircraft

IN THE BOX

Speaker × 1

TIPS

DO NOT use the speaker too close to people or in urban areas where noise-sensitive structures are concentrated, as the loudness could lead to accidents or injuries.

It is recommended to use the DJI RC Pro Enterprise remote controller to play vocals or import a vocal source for the best playback effect.

It is not recommended to play single-frequency sounds such as an alarm to avoid irreversible damage to the speaker.
